### **Early Literacy Tip**

Spring is a great time to take a nature walk with your children since there are many blooms and animal babies about. Explore one of our lovely local parks and talk about what you see, hear, smell, and touch. This is a great way to help your children learn more about the world around them and learn new vocabulary words!

**\*\*\*Class size is limited. Please arrive early. First come, first served.**

**Children under age 8 must be accompanied by their caregiver at all times.**
