

#HOW I'M FEELING

HOW MY FACE LOOKS

WORDS TO DESCRIBE HOW I FEEL:

I feel dissapointed
because it's killing
so many people.

WHAT I HAVE LEARNT MOST FROM THIS EXPERIENCE:

That if we
all work
together, we
can beat this!

I AM MOST THANKFUL FOR

That this is almost
over.

THE 3 THINGS I AM MOST EXCITED TO DO WHEN THIS IS OVER:

- 1 Go to places where covid is not a problem.
- 2 go back to school where all of us still are.
- 3 Relax.
